

Zebulon Rental Brochure

Zebulon is a venue currently based in North East Los Angeles. Prior to the COVID-19 pandemic Zebulon has hosted eclectic performers from around the world for live shows every night of the week. We showcase musicians, films, dancers, comedians etc...

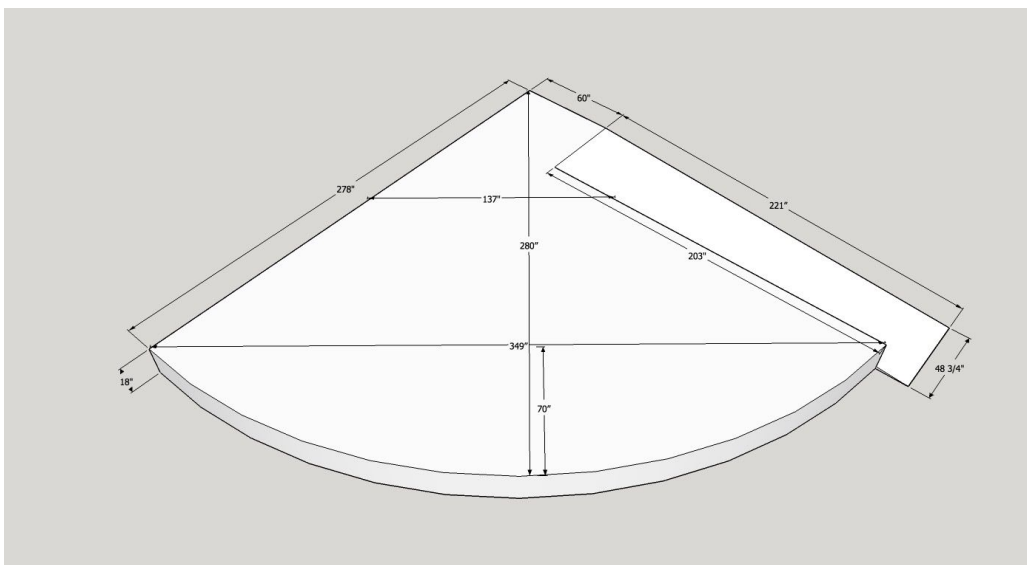

Since the start of quarantine in 2020 we have been very active in recording shows for streaming platforms. Zebulon is now offering it's facilities and staff for affordable rental to our artists.

Zebulon has secure parking, outdoor patio, greenroom with attached bathroom and shower, 1,000 sqft cafe, venue stage area of 3,000 sqft size.

If you are interested in filming you may hire your own film crew or we recommend our Zebulon house film crew. Their prices vary on scope of production, it depends on your needs.

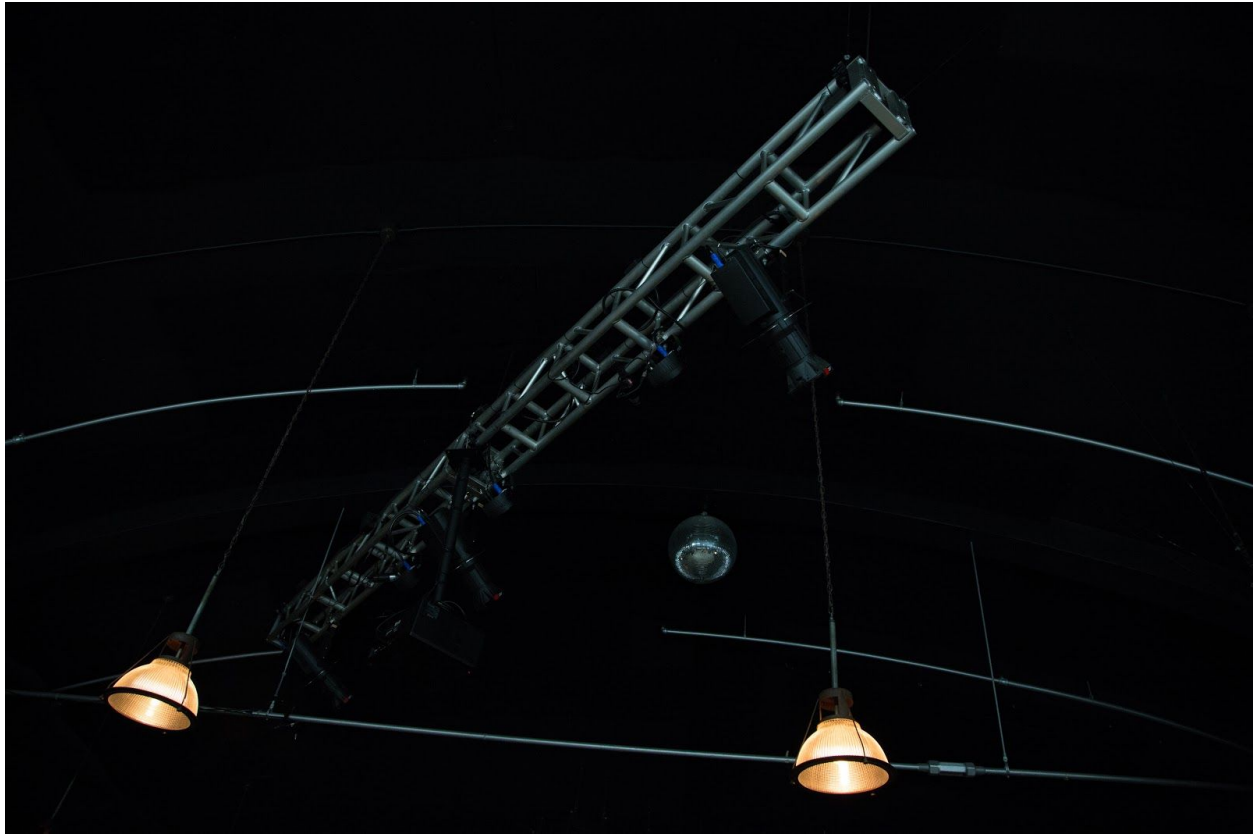

Attached below you will find our stage dimensions, pictures of our facility and a full list of our tech specs.
